Everyone is welcome! Refreshments will be served.

Friday, September 11, 2015

2:15PM - 3:30PM

(in the library next to the dining room)

Pacific Animal Therapy (PATs) will be joining us to share information about their amazing work in the community.

We will be visited by two of their volunteers and guest dogs! There will be an open discussion and talk all about PATs and the benefits of pet therapy.

We would like to make this a weekly/monthly group at GROW, so come out and support this workshop! Let us know what you would like to see at future events.
