Once we receive your referral form you will be contacted by a worker in the relevant program within approximately one month.

GUIDELINES:

- You are an adult, 19 years and above
- You live in Vancouver Island’s Capital Regional District, including Southern Gulf Islands
- You are experiencing mental health issues and are seeking to work on your recovery you may also be experiencing additional substance use issues.
- You are willing to participate in group or 1:1 mental health recovery work.

We would like all participants to receive the best possible experience. Unfortunately, you may have to miss group or 1:1 sessions if you are:

- Experiencing a deterioration of your mental health. We will support you to get the right help
- Actively suicidal or at risk of harm to yourself or others
- Actively using substances before, or during groups. We do not need you to be abstinent but you do need to be able to safely participate in programming

If ICMHA programs are not a good fit for you right now we will help refer you to other community resources.
